

Centre in Green Chemistry and Catalysis

Chemistry reinvented for a cleaner tomorrow...

FRQNT International Training Scholarships

Congratulations to all our current laureates!

These scholarships, up to a maximum of \$15,000, allow students to pursue abroad their research in green chemistry and catalysis for a period of up to 12 months.

Janet BAHRI (Taillefer and Monnier Group, École supérieure de chimie de Montpellier (France) and Jamoussi Group, Faculty of Sciences of Tunis-El-Manar University (Tunisia)) was awarded 9 982 \$ for a research stay from January 2015 to April 2015 IN PR THIERRY OLLEVIER AT UNIVERSITÉ LAVAL (QUÉBEC, CANADA)

Maximilian EBERT (Pelletier Group, Université de Montréal) was awarded \$9,000 for a research stay from September 2014 to December 2014 IN PROF. JURGEN PLEISS' LABORATORIES AT UNIVERSITY OF STUTTGART (GERMANY)

Laura CHALONER (Ottawa Group, Concordia University) was awarded \$5,400 for a research stay from January 2014 to March 2014 IN PROF. FABRICE THOMAS' LABORATORIES AT UNIVERSITÉ JOSEPH FOURIER (FRANCE)

Jingwei LUO (McIndoe Group, University of Victoria) was awarded \$15,000 for a research stay from January 2014 to October 2014 IN PROF. GARRY HANAN'S LABORATORIES AT UNIVERSITÉ DE MONTRÉAL (QUÉBEC, CANADA)

Marc-André COURTEMANCHE (Fontaine Group, Université Laval) was awarded \$5,000 for a research stay from February 2013 to March 2013 IN PROF. LAURENT MARON'S LABORATORIES AT UNIVERSITÉ PAUL SABATIER (FRANCE)

Daniela SUSTAC (Charette Group, Université de Montréal) was awarded \$7,800 for a research stay from October 2012 to January 2013 IN PROF. PAUL KNOCHEL'S LABORATORIES AT LUDWIG-MAXIMILIANS-UNIVERSITÄT (GERMANY)

Maxime BERGERON (Paquin Group, Université Laval) was awarded \$4,730 for a research stay from October 2011 to December 2011 IN PROF. XAVIER PANNECOUCKE'S LABORATORIES AT INSTITUT NATIONAL DES SCIENCES APPLIQUÉES DE ROUEN (FRANCE)

Applications can be submitted at any time during the year. For more information, please contact the CGCC [coordinator](#).

Xiangyu GUO (Li Group, McGill University)

was awarded \$5,000 for a research stay from August 2011 to September 2011
IN PROF. MASANOBU UCHIYAMA'S LABORATORIES AT RIKEN (JAPAN)

Samuel DESJARDINS (Canesi Group, UQAM)

was awarded \$6,700 for a research stay from May 2011 to July 2011
IN PROF. STÉPHANE QUIDEAU'S LABORATORIES AT UNIVERSITÉ DE BORDEAUX (FRANCE)

Martin PICHETTE (Ollevier Group, Université Laval)

was awarded \$9,750 for a research stay from September 2010 to March 2011
IN PROF. MARC TAILLEFER'S LABORATORIES AT ÉCOLE NATIONALE SUPÉRIEURE DE CHIMIE DE MONTPELLIER (FRANCE)

Applications can be submitted at any time during the year. For more information, please contact the CGCC [coordinator](#).
